

Silhouette Prayer

Heavenly Father,

We stand before you today as a group. We ask for your blessings, Help us to love, accept and understand one another just as we are, the young to accept and understand the old, and the old to accept and understand the young. Permit us to be just and fair in our suggestions and criticisms to one another.

Weigh it and extract from it only the goodness. Then help us Lord to abandon all the evil or malice we thought was intended by our fellowmen. Help us to gather in harmony and to leave in harmony. We thank you for your constant blessings and ask you to watch over us. Amen.

Silhouette Song

You're our sweethearts, you're our mates,
You're our only, only dates

When in our circle we do sing
Pride and loyalty we bring

You're our choice from all the rest
We chose you 'cause you're the best

You're the greatest and that's why
You are KAPPA ALPHA PSI

For you only, we will work
From our duties never shirk

Always with you, we will stand
Silhouettes a loyal band

When you need us, never fail
To call on us, rain or hail

We will ever be for you
KAPPA men, we love so true
